PRODUCT SPECIFICATION

Introducing My Passport Ultra with USB 3.0 and high capacity features automatic and cloud backup; password protection and hardware encryption, 3-year warranty and protective soft pouch.

Sleek design with high capacity – Offering up to 2 TB in a compact design, My Passport Ultra is the ideal companion for your Ultra book™ and other slim notebooks. Travel light with all your digital content.

Ultra- fast transfer rates- When connected to a USB 3.0 port, My Passport Ultra lets you access and saves files blazing speed. Reduce transfer time by up to three times when compared to USB 2.0 transfer rates.

Automatic backup software- WD Smartware™ Pro automatic software works quietly in the background to help protect your data using minimal PC resources. Select automatic, continuous backup to instantly back up your files. Or select the scheduled back up your files on your schedule and take control of your back up.

Local and cloud backup- WD Smartware Pro lets you choose. Back up your files to My Passport Ultra drive or back up your files to the cloud using your Dropbox™ account.

Works great with Windows®8- The WD Windows 8 app makes it easy to discover the digital media stored on your My Passport Ultra drive with the windows 8 computer. Your content is automatically displayed and organized so you easily locate and enjoy your photos, videos and music.

WD Security™- WD Security utility allows you to set password protection and hardware encryption for your drive to help keep your data private.

USB 3.0 and USB 2.0 Compatibility- With this single drive you will get compatibility with the latest USB 3.0 devices and backward compatibility with USB 2.0 devices as well.

WD Drive Utilities™- Register your drive, set drive timer, run diagnostics and more using WD Drive Utilities.

Durable enclosure protects the drive inside-We know your data is important to you. So we build the drive inside to our demanding requirements for durability, shock tolerance and long-term reliability. Then, we protect the drive with a durable enclosure designed for beauty.

Soft pouch included- The included soft pouch helps protect your drive from scratches.

USB-powered- Powered directly from the USB port your drive from scratches.
